

Humanities: Art, Language, and Spirituality in Health Care

Current Events (With Apologies to Leonard Cohen)

J. Trig Brown, MD, MPH

Duke University Medical Center, Durham, North Carolina, USA

Alas, FULL CODE
We know you well.
Don't understand why others
Choose to woo you,
To court you,
To float across the ballroom
For that final waltz
In your embrace.
Hallelujah.

The crack of ribs,
The pungent perfume of hair aflame
That follows the power surge
Across the lifeless chest.
A ritual of life
Or death?
This Ivory-Tower Revival.
Hallelujah, indeed.
