I agree to the terms of the Non-Exclusive Distribution License:

I authorize the Duke University to make this submission available in the public using a Creative Commons Attribution-Non-commercial-No Derivative Works license. This license allows the public to use, copy, and distribute this work, but only for non-commercial purposes and without any modification that would affect the original work. The author reserves all rights beyond the scope of this license and may choose to use the work for other purposes or to modify it in any way. The author also acknowledges that this is a non-exclusive license, and any copyrighted material embedded in the submission remains the property of the copyright holder.

The author agrees that the Duke University may keep more than one copy of this submission for purposes of security, backup, and preservation.

The author agrees that the Duke University may make copies of this submission for preservation or archiving purposes, and that the author may not object to these copies.

The author acknowledges that the Duke University may use the submission in various media for educational and research purposes, and that the author may not object to these uses. The author also acknowledges that the submission is subject to the conditions of the non-exclusive license.

Agreement
Theis/Dissertation Availability and Non-Exclusive Distribution License

By signing and submitting this license, "the author" grants the non-exclusive license to Duke University to make this submission available in the public using a Creative Commons Attribution-Non-commercial-No Derivative Works license.
